## DIARY OF A PERSON EXPERIENCING HOMELESSNESS

1. Come up with a scenario for someone experiencing homelessness using the template below:

Name:	
Age:	
How did the person become homeless?	
How long has the person been experiencing homelessness?	
What type of homelessness is the person experiencing?	
Where are they currently living?	

2. You are going to write two diary entries in your book detailing the experiences of the person you created above. The challenge is to put yourself in their shoes - you need to write from their perspective. Your two diary entries will focus on two separate days in the life of the person experiencing homelessness.

**USE THE DIARY ENTRY STRUCTURE AND EDITING GUIDE TO HELP YOU WITH THIS ACTIVITY.**

Some suggestions:

- Start each entry with the date
- Think about the tasks/activities you do on a daily basis (showering, brushing your teeth, eating breakfast etc.). How would these tasks happen for your character?
- What are some of the key challenges they would face daily?
- Try to think about the emotions your character would be feeling. What are they missing about their old life?
- Be descriptive about where the character is living – think about looks, sounds, smells etc.
- Try to keep it realistic
