Homelessness is not necessarily being without a roof; it is a ‘lack of one or more of the elements that represents home’. As such, a person can experience homelessness even if they have a house or ‘roof’ over their head because they do not have a ‘sense of security, stability, privacy, safety and the ability to control living space.’

For people experiencing homelessness the issues are complex, and is more than being without somewhere comfortable to sleep. Homelessness affects an individual’s ability to meet their most basic needs, which impacts them psychologically, emotionally, physically, financially and socially.

Homes are essential for the development and dignity of individuals.

Homelessness is also a human rights issue. It is understood that without adequate housing or a home, an individual’s ability to access other basic rights, such as the right to family life and privacy, the right to freedom of movement, the right to health and the right to education, is compromised.

This is particularly true for children and young people. Without suitable, stable and secure homes, children and young people are unlikely to realise their right to grow and develop in an atmosphere of moral and material security, free from abuse and neglect.
PEOPLE EXPERIENCING HOMELESSNESS ARE NOT MERELY OBJECTS OF CHARITY, SEEKING HELP AND COMPASSION. LIKE ALL AUSTRALIANS, THEY ARE INDIVIDUALS ENTITLED TO PROTECTION AND PROMOTION OF THEIR HUMAN RIGHTS.

THE AUSTRALIAN HUMAN RIGHTS COMMISSION
HOW YOU CAN GET INVOLVED

Your community is invited to join Vinnies Youth in offering a hand up this winter. Your communities involvement in the Vinnies Sleepout Initiative is a fun and interactive way to raise awareness about the issues and effects of homelessness, social exclusion and poverty being experience by individuals and families across Australia. Taking part in the Vinnies Sleepout Initiative, is one way you can take action against the homelessness crisis Australia is facing. This is a great opportunity for young people to engage in advocating for change, whilst making a difference to the lives of people in their local community.

For your community, this will:

• Encourage students to connect with an evident and increasing need in your local community.

• Challenge your school community to make a difference to those living rough within your local area.

• Raise awareness about the many faces of homelessness in the hopes of breaking stereotypes.

• Allow your school community to be a voice for those in need in your local community.

• Further educate your community.

• Connect your school with preexisting homeless services within your community, such as homeless vans or social justice groups.

• Advocate and raise funds to show your school that you can make a difference this winter.

For schools hosting a Vinnies Sleepout you can link to the following curriculum outcomes.

RAISING AWARENESS
Raising awareness is the first step to making a difference. When we are aware of the issues and who they are affecting, we can then begin to bring about change. The process of raising awareness involves challenging commonly held stereotypes that are often fixed and oversimplified images, that don’t accurately reflect the realities of the issue.

The School Sleepout Initiative helps to raise awareness of this pressing social issue and gives people an understanding of the realities of homelessness.

Over the past five years, there has been a 30% increase in the number of families with children being assisted by homeless services, such as Vinnies.

FUNDRAISING
Many people who require access to support services do so through various organisations, many of which are charities and not for profit organisations, who rely on the support and generosity of the public.

The St Vincent de Paul Society first began helping Australians in 1854, and we’ve been active in the community ever since. Our work relies on donations from the public. The School Sleepout Initiative and Winter Appeal play a substantial role in contributing to these donations. Money raised goes towards supporting people experiencing hardships in your local community.

HOW YOUR FUNDS CAN HELP
• $25 can provide someone with a month’s supply of personal hygiene and toiletries products.
• $40 can assist in covering the gap to pay a utilities bill.
• $50 can provide a set of clothes to a young person experiencing homelessness.
• $120 can assist a family of four with emergency food until their next payment.
• $210 can provide a person with a bed and meals for one week.

WAYS YOU CAN MAKE AN IMPACT

WHEN WE UNDERSTAND THE ISSUE, WE CAN THEN BEGIN TO BE ADVOCATES FOR CHANGE.
WAYS YOU CAN MAKE AN IMPACT

VOLUNTEERING
Organisations like Vinnies rely on the ongoing support and commitment of individuals to give generously of their time and talents. Without this generosity we would not be able to do good works throughout local communities across Queensland and Australia.

There are many opportunities for young people who are passionate about supporting their local community to get involved in the good works of the Society. By volunteering your time and skills, you can help to support local children in your area to hope for a better future, by offering them a Hand Up.

To discuss the different opportunities available for students 16 years and over, contact your local Vinnies Youth Engagement Officer.

DONATIONS
Goods in kind, like funds, play a vital role in being able to provide assistance to people in need of support. In particular, for people experiencing homelessness during the winter months there is often a need for blankets, warm clothing, jackets, enclosed shoes and non-perishable food.

HOW YOUR DONATIONS CAN HELP

Simply donating any spare clothing or shoes that are in good condition could provide a young person with dignity and warmth.

Hosting a blanket or canned food drive could assist a local family with the extra supplies they might need.

Donating unwanted household items in good working order can assist a newly housed family to land on their feet.

Collecting hygiene and toiletries products can help to affirm the dignity of those who might be sleeping rough.
**VINNIES SCHOOL SLEEPOUT**

Hosting your own Vinnies school Sleepout is a simple, fun and effective way for students to engage in raising awareness about homelessness, social exclusion and poverty. Hosting a Sleepout is a unique way to stand in solidarity with individuals and families across Queensland and Australia who are experiencing homelessness, by sleeping rough for a night.

**HOW TO ORGANISE A SCHOOL SLEEPOUT**

School Sleepouts can occur at any time throughout the year. There is no minimum requirement for how many students, or how many participants can be involved, or for how long the experience goes for. The hosting school community is responsible for ensuring there is adequate adult supervision throughout the entire event.

**HOW WE SUPPORT**

Each school is responsible for organising and hosting their Sleepout. Your local Vinnies Youth member is able to assist in a number of ways;

- Helping to plan your event
- Running an interactive workshop (typically between 30-90mins)
- Collecting Donations
- Assembly presentation around the Sleepout and Winter Appeal
- Activity Ideas and additional resources or information
At least one school staff member or designated adult must be present during your School Sleepout event.
3 RISK MANAGEMENT
• Consider the potential risk associated with your event and plan what you can do to reduce or eliminate these risks.
• Make sure there is a first aid officer and kit at the event.

4 PREPARING FOR THE EVENT
• Collect cardboard boxes for people to sleep on or have people bring them.
• Create and distribute a list of things participants need to bring (pillow, jumper/warm clothing, sleeping bag, tooth brush etc).
• Organise food for dinner and breakfast. Appropriate food such as soup for dinner helps to ‘set the scene.’
• Create a sign in sheet and desk to go at the door. This is important in case of emergency.
• Organise for the use of the school camera so you can take lots of photos. You might even like to pick someone to be the ‘photographer’ for the night or ask a teacher.
• Will there be a fundraising element on the night?
  Can you advertise this event in your newsletter/community newspaper?

Dear Parent/Guardian,

Students are invited to attend and participate in the School Sleepout event. The event will be held at (Place) from (Time) on (Event Date), and will conclude at (Time) the following morning. Dinner and breakfast will be provided to participants, and they will be required to bring a pillow and sleeping bag, warm clothing and a toothbrush.

The School Sleepout allows students to connect on a personal level with the issue of homelessness by sleeping out as a school community, whilst raising awareness to support the work of the St Vincent de Paul Society Queensland.

The event will include activities designed to break open the issue of homelessness. Such activities will include a St Vincent de Paul Society presentation about homelessness and the School Sleepout, and a simulated homeless experience through students ‘sleeping out’ in a controlled environment monitored by staff and parent volunteers.

We hope the School Sleepout initiative will give our students a tangible experience of what it would be like to be homeless, bring awareness about the realities faced by people considered to be homeless, and encourage students to do something about it!

Please sign the slip below to indicate your permission for your child to attend. If you have any questions about the School Sleepout, please contact me at the office. Students are asked to return the slip to Student Services by (2 weeks prior).

Kind Regards,
